What kids learn when they are disciplined will last a lifetime. When parents are thoughtful about this, their kids grow up knowing that they are valued people built for God's purposes. When parents are not thoughtful, any myriad of troubles can grow.

"Discipline that Connects" is a profound and practical way to think about discipline that has empowered thousands of parents to be wiser and more effective when they discipline. This workshop is deeply biblical, immediately useful, and will change your life and your child's life for good!
