## Hometown and destination — the best of both

Panora, the oldest community in Guthrie County, is surrounded by the natural beauty of the Raccoon River Valley and Lake Panorama. Located along Highway 44, it is a convenient stop along the Western Skies Scenic Byway and the Raccoon Valley Trail.

From its town square, featuring a flower-clad gazebo, to its dining and drinking establishments, local attractions such as the Guthrie County Historical Village and its world-class amenities at Lake Panorama National Conference Center, the community has much to offer to visitors and residents alike.

With all the charm and friendliness of small-town Iowa, Panora invites shoppers, trail enthusiasts and sightseers to enjoy the day. Stop by nearby Lenon Mill Park, Bennie Hall Wildlife Area, Southeast Robinson Wildlife Area and Greenwood Cemetery Prairie.

Enjoy the hospitality and hometown fun of Panorama Days in August, complete with all the tradition, pride and neighborliness the community has to offer. The family fun includes a parade, games, food, live music, a water ski show, fun run and street dance. It's a time when area alumni return home for a reunion banquet, old acquaintances are renewed, old friendships are enjoyed and new friends are made.

*Welcome to Panora and enjoy your stay.*
