RE: Displaying of active Building Permits and Addresses/City of Lewisburg Building Inspection Changes

**\*\*Immediate Changes in Affect: Per Resolution 24-11-17 affected immediately upon passing November 25<sup>th</sup>, 2024, regarding a interlocal agreement between the City of Lewisburg, and Marshall County TN\*\***

1. The Lewisburg Fire Department will inspect and certify all installations of residential and commercial sprinkler systems. The Marshall County Building Codes will not conduct rough-in inspections or approve final building inspections without documentation confirming a passing fire suppression system.

2. The Marshall County Building Codes will inspect and certify all residential and commercial mechanical, fuel, and gas piping installations. The Lewisburg Gas Department will continue to perform a final safety inspection and meter tie-in. Once approved, the Gas Department will tag the meter accordingly. Marshall County Building Codes will not approve any final inspection where gas is supplied by Lewisburg Gas Department without an approved meter tag.

**\*\*Reminder: \*\* The Marshall County Building Codes and the Tennessee State Fire Marshal's Office (TNSFMO) enforce the codes listed below. Sites that do not comply with these codes will fail inspections, and no further inspection will be conducted until the site is in compliance.**

TN State Electrical Rules

0780-02-01-.04

(10) The inspector shall not issue a final certificate of approval on an installation if a building permit has not been obtained, if required, plans have not been reviewed and approved by the Department of Commerce and Insurance, if required, or all inspections have not been performed pursuant to Tenn. Comp. R. & Regs. 0780-02-23-.07.

International Residential Code

**R105.7 Placement of permit.** The building *permit* or a copy shall be kept on the site of the work until the completion of the project.
