FRUIT SHARES AVAILABLE FOR 2026

Indian Orchards is a small family-run orchard located just 30 minutes west of Philadelphia. This farm has been our home for over a century, and in that time we have been serving high quality home-grown fruits and vegetables to our neighbors and friends. We grow a wide variety of fruits, including local heritage **apples** picked from our 100-year-old trees, **peaches** and **plums** famous for their rich flavor and juiciness, and lush fields of **blueberry** and **raspberry** bushes grown using organic methods **without the use of pesticides**.

This year we are opening our farm to the wider public for the first time since our founding in 1913, and we have a limited number of **Fruit & Veggie Shares** available for pickup. Full Shares are picked up weekly at our farm, Half Shares every other week, from **June through September/October: when Blueberries wake up, until Apple Season** (will vary each year)

*By signing above I agree to the terms of the Fruit & Farm Share contract, and understand that as a member I will share in the bounty as well as the risks that accompany farming, and that the farm grows and harvests with my share in mind. I understand that this is a season-long commitment, and that if I am unable to pick up shares, I must inform the farm that another individual will pick it up instead by our times listed for FOR THAT WEEK ONLY , or i know i will forfeit the share for that week without holding farm responsible by thinking that we must give refunds , credits / add;t fruits / veggies , or extra of any kind in exchange for forfeited week(s) We can not be responsible for share week bags not picked by the latest on Sunday BY 5 PM . While Indian Orchards cannot guarantee any crops, it will place immediate priority on filling my share with the highest quality fruits in season. You also acknowledge a portion of this payment from your shared monies goes to the " House " for Farm for start-up costs which is not added in on your return week as we thank you for supporting sustainable agriculture . However at end of the season, we DO take care of our shares best we can before First Frost for believing and helping us with the start each season ! **Thank you The BERNHARDT FAMILY** If paying by credit card, I authorize the withdrawal of funds from my credit card account and agree to the terms of your credit card user agreement.
