Notice of Partial Office Closure

3-18-2020

Aldermen, Citizens, and the general public:

This notice is to inform you that as part of our Corona Virus planning and preparation measures, the Town of Cornersville will be following the lead of Marshall County Government and **starting Thursday March 19, 2020 through at least March 31, 2020 the Cornersville Town Hall will be closed to the general public.** Though Town Hall will be closed to the general public, the office will remain open and continue to conduct business to the best of our ability. Communications with Town Hall via telephone, fax, email, and US Mail will continue uninterrupted. Additionally, any payments or other items that need to be delivered directly to Town Hall can be dropped in the mail slot next to the front door of Town Hall. Other services of the Town (public works, law enforcement, fire, etc.) will not be affected at this time.

As this is an evolving situation, the Town will continue to evaluate proper responses. If there are any changes or additional responses deemed appropriate, they will be announced on the Town website (www.cornersvilletn.org) and publicly posted on the front door of Town Hall.

These changes will present some challenges to the Town and our citizens, but we feel that this cautious approach is in the best interests of our citizens as well as our employees. We sincerely appreciate everyone's cooperation and understanding as we all try to make the best decisions for all of us to get through this.

Regards,

Melisa M. Peters
Mayor, Town of Cornersville
