## ***What can you do?***

- Encourage community partners, especially churches and non-profits, to speak on the importance of being counted and to publish information in newsletters and bulletins.
- Ask friends and neighbors in your community if they have filled out the Census and help them overcome any barriers that may be preventing them from reporting.

The 2020 Census will end on September 30, 2020. Please help in any way you can.

Thank you all so much for your efforts—your hard work has been very much appreciated!
