The body convened in open session as the Local Board of Canvassers (LBOC) at 8:00 p.m.

Chief Inspector Schwanz directed Clerk/Treasurer Hauri to read the opening statement.

It was verified that the display on the voting machine indicated 13 ballots cast. The seals were all intact, and the numbers were compared to the numbers recorded on the Inspectors' Statement and were confirmed to be the same.

The polls were closed on the voting machine. Official Results reports were printed, and the machine was turned off. The seal was broken on the printer, and all printed tape was removed from the printer. The seal was broken on the cartridge door, and the cartridge was removed. The seal was broken on the accessories door, and the accessories were removed and enclosed in the printer carrying case. The seal on the power door was removed. The printer and the voting machine were enclosed in their respective carrying cases.

The two poll lists were compared and the certification pages (EL-107c) were completed.

There were no Election Day Registrations (EDRs).

There were no provisional ballots cast.

There was 1 absentee ballot issued. This ballot was returned prior to the closing of the polls and was counted.

No other electors chose to vote via paper ballot; therefore, one paper ballot was cast for the Spring Primary.

The ballot box was unlocked and the one ballot was removed.

The number of ballots cast (14) were compared to the number of voters (14).

The vote from the one paper ballot was entered on the tally sheets (EL-105). The totals from the voting machine Official Results report were then added to the tally sheets. The tally sheets were signed and reviewed for accuracy.

Results were entered on the call-in sheet and phoned in to the Richland County Clerk's office.

The Inspectors' Statement (EL-104) was completed and reviewed for accuracy.

It was verified that the voting machine Zero Proof reports and the Official Results reports were signed and dated.

The voted paper ballot and voted machine ballots (machine tape) were placed in the plastic bag for Richland County and sealed shut. The bag was signed and dated.

All materials to be retained by the Village were placed in the Spring Primary 2025 envelope to be filed in the Clerk's office.

All materials to be submitted to the Richland County Clerk, including the voting machine cartridge/cards/printer key, were gathered and placed in the custody of the Village Clerk.

The American flag and sign for persons needing assistance were brought in from outside.

The Clerk/Treasurer issued payment to the Election Inspectors.

The meeting of the LBOC ended at 8:45 p.m.
