Mr. Russell M. Fogo, Clerk
Village of Boaz
Route 1
Muscodas, Wisconsin 53573

Dear Mr. Fogo:

Your letter of December 4, 1979 advised me that the Boaz Village Board voted unanimously to grant a third "Class B" intoxicating liquor license.

Apparently this decision was based on a December 3, 1979 letter from David J. Hanson, Deputy Attorney General.

Based on the interpretation from the Department of Justice, the quota for issuance of intoxicating liquor licenses for the Village of Boaz is now increased from two to three. Accordingly the Department of Revenue will not seek revocation of the third license issued.

Sincerely,

A handwritten signature in cursive script that reads 'J. K. Leidiger'.
