

Village of Boaz  
Plan Commission  
Scenario Planning Meeting  
Wednesday, January 12, 2022  
Boaz Community Building  
5:00 p.m.

Present: Jean Nicks, Ken Nicks, Kevin Jasper, Dawn Dobbs

Absent: Josh Elder

Others present: Troy Maggied (Southwest Wisconsin Regional Plan Commission), Matthew Honer (Southwest Wisconsin Regional Plan Commission), Jasen Glasbrenner (Richland Economic Development Director), Kerry Gies (Village Trustee), Susie Hauri (Village Clerk/Treasurer), Edward Manning (area resident)

This meeting had been posted at the Boaz Community Building and online at [www.villageofboaz.com/meetings](http://www.villageofboaz.com/meetings). Proper notice to news media (*The Richland Observer*) had been given.

Honer distributed and the group reviewed a document that illustrated demographic, budget/tax, housing, and school enrollment data and trends.

The discussion then turned to resiliency and what can be controlled. Two driving forces were identified that could provide a return on investment: an increase in population and an increase in opportunities for recreation.

It was determined that Thursdays (especially the last Thursday of the month) would work best for meetings going forward.

The meeting ended at 7:30 p.m.

Submitted by Susan Hauri, Clerk/Treasurer
