The body convened in open session as the Municipal Board of Canvassers (MBOC) and the Local Board of Canvassers (LBOC) at 8:00 p.m.

The American flag and sign for persons needing assistance were brought in from outside.

Chief Inspector Schwanz directed Clerk/Treasurer Hauri to read the opening statement.

It was verified that the display on the voting machine indicated 21 ballots cast. The seals on the Election Data, Power, and Printer doors were all intact, and the numbers were compared to the numbers recorded on the Inspectors' Statement and were confirmed to be the same.

Chief Inspector Schwanz closed the polls on the voting machine. Official Results reports were printed, and the machine was turned off. The seal was broken on the Election Data door, and the memory stick was removed. The seal was broken on the printer, and all printed tape was removed from the printer.

The two poll lists were compared and the certification pages (EL-107) were completed.

There were no provisional ballots cast.

There were 2 absentee ballots issued. Note: One absentee ballot was returned and processed prior to the closing of the polls. No absentee ballots were rejected.

It was verified that the voting machine Zero Proof reports and the Official Results reports were signed.

The only paper ballot was the absentee ballot. The ballot box was unlocked, and the one ballot was retrieved.

The number of ballots cast (22) were compared to the number of voters (22).

The results from the paper ballot were tallied on the tally sheets (EL-105). The totals from the Official Results report were then added to the tally sheets. All tally sheets were signed and reviewed for accuracy.

The Inspectors' Statement (EL-104) was completed and reviewed for accuracy.

The voted paper ballot and voted machine ballots (machine tape) were placed in the plastic bag for Richland County and sealed shut. The bag was signed and dated.

While the clerk/treasurer phoned in election results to the Richland County Clerk and the Richland School District, the election inspectors enclosed the printer and the voting machine in their respective carrying cases.

The EL-106 to certify Village of Boaz race results was completed and reviewed for accuracy.

All materials to be retained by the Village were placed in the custody of Clerk/Treasurer Hauri to be filed in the Clerk's office.

All materials to be submitted to the Richland County Clerk, including the voting machine cards, memory stick, and printer key, were gathered and placed in the custody of Clerk/Treasurer Hauri.

All materials to be submitted to the Richland School District Clerk were gathered and placed in the custody of Clerk/Treasurer.

Clerk/Treasurer Hauri issued payment to the Election Inspectors.

The meeting of the MBOC and LBOC ended at 9:30 p.m.
