The polls were closed on the voting machine. Official Results reports were printed, and the machine was turned off. The seal was broken on the printer, and all printed tape was removed from the printer. The seal was broken on the cartridge door, and the cartridge was removed. The seal on the power door was removed. The printer and the voting machine were enclosed in their respective carrying cases.

The two poll lists were compared and the certification pages (EL-107) were completed.

There were no provisional ballots cast.

There were 2 absentee ballots issued. Note: all absentee ballots were returned and processed prior to the closing of the polls. No absentee ballots were rejected.

Results were phoned in to the Richland County Clerk's office.

The Inspectors' Statement (EL-104) was completed and reviewed for accuracy.

It was verified that the voting machine Zero Proof reports and the Official Results reports were signed and dated.

Voted paper ballots and voted machine ballots (machine tape) were placed in the plastic bag for Richland County and sealed shut. The bag was signed and dated.

All materials to be retained by the Village were placed in the August Primary 2022 envelope to be filed in the Clerk's office.

All materials to be submitted to the Richland County Clerk, including the voting machine cartridges/cards and copies of election day voter registration applications, were gathered and placed in the custody of the Village Clerk.
