It was verified that the display on the voting machine indicated 20 ballots cast. The seals were all intact, and the numbers were compared to the numbers recorded on the Inspectors' Statement and were confirmed to be the same.

The polls were closed on the voting machine. Official Results reports were printed, and the machine was turned off. The seal was broken on the printer, and all printed tape was removed from the printer. The seal was broken on the cartridge door, and the cartridge was removed. The seals on the accessories door and power door were removed. The printer, accessories, and voting machine were enclosed in their respective carrying cases.

The two poll lists were compared and the certification pages (EL-107) were completed.

There were no Election Day registrations.

There were no provisional ballots cast.

There were 2 absentee ballots issued. 1 absentee ballot was returned and processed prior to the closing of the polls. No absentee ballots were rejected.

On Election Day, no electors chose to vote via paper ballot; therefore, a total of 1 elector voted by paper ballot.

The ballot box was unlocked, and the ballot was removed.

The number of ballots cast (21) were compared to the number of voters (21).

The paper ballot was tallied on the tally sheets (EL-105). The totals from the Official Results report were then added to the tally sheets. All tally sheets were signed and reviewed for accuracy.

The Election Night Call-In sheet was completed.

Results were phoned in to the Richland County Clerk's office.

The Inspectors' Statement (EL-104) was completed and reviewed for accuracy.

It was verified that the voting machine Zero Proof reports and the Official Results reports were signed and dated.

The voted paper ballot and voted machine ballots (machine tape) were placed in the plastic bag for Richland County and sealed shut. The bag was signed.

All materials to be retained by the Village were placed in the Spring Primary 2023 envelope to be filed in the Clerk's office.

All materials to be submitted to the Richland County Clerk, including the voting machine cartridge and cards, were gathered and placed in the custody of the Village Clerk.

The American flag and sign for persons needing assistance were brought in from outside.
