October CGS Focus – Atrium: The Prepared Environment

The 'atrium' is the name given to the environment which is dedicated to the child's religious life, recalling the space in the ancient Christian basilicas which served as the anteroom of the church. It is a place where the child comes to know the great realities of his life in the Church. It is likened to a retreat house for your child.

BROTHERS AND SISTERS IN CHRIST,

Today's readings are about the bond of love that marriage creates between a man and a woman, a bond that God intends to be permanent. These readings challenge the spouses to practice the fidelity of their ever-faithful God, honouring their holy covenant commitment before God.

Marriage demands that they should become the right persons for each another as God-given gifts. Marriage is a union based on committed sharing, and forgiving, sacrificial, mutual love. It requires many understanding adjustments; much genuine generosity, and great good will, to forgive and ask for forgiveness; sincere cooperation in training children and raising them as practicing Catholic Christians; and obtaining strength from God through personal and family prayers and active participation in the Parish Liturgy.

May God bless all of our marriages and families, and give them the graces they need to bear true witness to Christ before all, to hold fast to the faith with the strength that comes from the Gospel, and to prove themselves to be virtuous parents who live to see their children's children. May the peace of Christ abide always in your homes.
