BROTHERS AND SISTERS IN CHRIST,

In the book of wisdom, King Solomon addresses us about the superiority of God's Wisdom over all the riches of the world. We receive the gift of wisdom from the Lord God through prayer and right relationship with Him. The light of wisdom is never ending keeping the person always aware of God's presence. The rich young man could not realize it in the Gospel today and could not renounce his wealth and follow Jesus. Let us always pray for the wisdom of God that we follow His Son Our Lord Jesus Christ and live by the power of the Holy Spirit who reveals the will of God established in the Commandments and gives necessary power of holiness and righteousness to keep it. God bless us.
