

**MARKET YOUR BUSINESS/ORGANIZATION AT THE JUNE 25TH PLAINWELL DAYS FESTIVAL**

We encourage businesses and organizations to market themselves by displaying and selling their products or handing out sharing information for their organizations on North Main Street in downtown Plainwell on Saturday, June 25<sup>th</sup>, 2022.

The cost for a business booth space is \$45 or \$35 for non-profit organizations. Downtown Plainwell businesses are entitled to a FREE booth if they want to set-up on Main St. instead of on their sidewalks but those will be offered on a first come, first serve basis based on availability.

Booth space will be 10'x10' and electricity is NOT provided. Please allow enough space to enable handicap patrons to easily maneuver around your booth. As you fill out the form below, briefly describe your space needs. We will do our best to accommodate you. Vendors need to be set up by 9:00 am and remain set up until 4:00 pm.

**DEADLINE** is May 2nd, 2022 for submission of application and payment but do not hesitate as space is limited and is based on a first come, first serve basis. Booth spaces did sell out last year!

**Important!!** Please note that there are no refunds due to inclement weather conditions.
