DESIGN AND COLOR CONSULTING

FROM GOLDEN YARN FLOORING

You don't have to leave color and design to chance

Need some professional advice? Golden Yarn isn't about a "signature style", design and color consultancy is guidance with an objective point of view. We use our intuition, experience and education to guide you in all aspects of selection.

Design Consultation

For those who don't want the elaborate work of an interior designer we offer you an alternative:

REMODELING & INTERIOR DESIGN

Many people know they want to remodel or refresh their homes, but aren't sure where to start or how to go about it. Whether it is a kitchen, bathroom, or other remodel, our approach is to provide clean, simple designs that have longevity, flow from room to room, work with the architectural style of the home, function well, and make efficient use of the space.

Do you have an architect and contractor on board for your remodel? That's great. Would you like some ideas for the design

of your "new" kitchen, family room, bedroom or bathroom? We provide a powerful, effective bridge between you and your other suppliers. From the big picture to the smallest detail, we ensure that what you see on the blueprint comes to life in beautiful ways that create comfort, function, and beauty in your new spaces.

MATERIAL AND FINISHES

Some clients just need assistance with selecting materials and finishes such as tile, countertops, cabinetry style, flooring, light fixtures, etc. By helping our clients with their selections, they are assured that they will end up with a cohesive and aesthetically pleasing result.

SUBCONTRACTOR RESOURCES

We have a wealth of resources available for you to make your design project run smoothly. We have experienced, trusted professionals to help you. If we don't have someone at the tip of our fingers, we will find them. We are committed to making your life easier.

Color Consultation

With thousands of colors to choose from, finding the perfect color that works in your home can be challenging. All of us are personally affected by color on some

level, but we just may not realize it. Color can play a role in helping you feel happy, soothed, energetic, or inspired to create. Color

can cause a stir within you, and our objective is to bring that feeling out in every client. We want you to love it!

Color creates the perfect backdrop for all of your furnishings on the inside. On the outside, color can become a crisp embellishment to your home, accenting the architectural greatness of any style home. Color can create stunning effects that stimulate your visual and emotional senses.

As your colorist, we can help you make the most of your interior space or building exterior with the best color choices. Whether you prefer soft and tranquil, or rich and saturated, we can find the perfect color for you.

You'll will enjoy the color selection process and love the results!
