CALL TO ORDER AND ROUTINE MOTIONS	
Call to Order	By Kathleen Reed at 6:02 pm
Invocation	George Williams
Motion to dispense with the reading of and Approve the Meeting Minutes of June 4, 2020	Moved by George Williams Seconded by Harry Abell Approved unanimously

FINANCIAL REPORT

The treasurer's report was emailed to all board members, but there was a problem, and no one received it prior to the meeting; therefore, no action was taken to approve the financial report. Harry summarized that the Alliance has received RVIC and DOM funds totaling \$9,000 from the city of Trenton; however, these funds are restricted. He asked all committee chairs to submit a budget. The website committee is requesting \$200 for software. Marcy Williams moved to approve the \$200 expense; Kathleen Reed seconded; unanimously approved. Harry re-emailed the report during the meeting (see Attachment A).

OLD BUSINESS

Website and domain names. Harry Abell reported that he has purchased the domain DadeSoars.com. He talked to Brian Wooten, who managed the Dade Chamber website. Brian advised Harry to move slowly on setting up online payments for Alliance memberships. Brian offered to design a logo at a cost of \$345.

Alliance for Dade Logo and Signage. Nelson Eash reported that a graphic designer at the Southern Lineman School is working on a logo design at no charge. Nelson should have some design ideas by next week.

William Back has talked to the state economic development office and asked for an answer to three questions:

1. Does the Alliance need to prepare an application to be recognized as a RVIC?
2. Does the Alliance need to be in operation for one year before it is eligible for RVIC funds?
3. What does the Alliance have to do to get the state to install Welcome Center signage?

William said he expects to have answers by next Wednesday, June 24.

Office Manager Job Description. Marcy Williams asked the board to approve the job description for the Office Manager. After discussion, it was decided that the title Director of Operations was more appropriate. Bob Woods moved to accept the Director of Operations job description; Jane Dixon seconded; unanimously approved. The board discussed appropriate attire for employees and suggested various options for posting the position. Resumes will be returned to a Careers@AllianceForDade.com email address and reviewed by Bob Woods, Marcy Williams, and George Williams. Top finalists will be submitted to the entire board for consideration. (see Attachment B)

NEW BUSINESS

Financial Proposals to be considered. Harry Abell submitted a proposed change to the Alliance Bylaws and five financial procedural proposals for the board's consideration (see Attachment C). Attorney William Back clarified that the Bylaw change was unnecessary, as the current Bylaws already name only four positions as officers. The procedural proposals were considered individually.

1. George Williams moved to accept the proposal stating purchases must be planned and the Treasurer must be notified of approved purchases. Sue Gridley seconded; unanimously approved.
2. George Williams moved to accept the proposal allowing officers to spend \$150 per quarter without prior approval, as amended to include the following: "All expenditures shall be made on a non-cumulative basis." Bob Woods seconded; unanimously approved.
3. Marcy Williams moved to accept the proposal allowing Committee Chairs to spend \$100 per quarter without prior approval, as amended to include the following: "All expenditures shall be made on a non-cumulative basis." Sue Gridley seconded; unanimously approved.
4. George Williams moved to accept the proposal allowing officers to use the charge facility at Elder's Ace Hardware in Trenton without prior approval, up to their spending limit of \$150 per quarter, as amended with the following: "All expenditures shall be made on a non-cumulative basis." Nelson Eash seconded; unanimously approved.
5. George Williams moved to accept the proposal that compensation for employees and contractors shall be approved in writing by a designated Welcome Center Committee member. Kathleen Reed seconded; unanimously approved.

Alliance for Dade organization memberships. Marcy Williams presented information about three organizations to which the former Dade Chamber had held a membership:

U.S. Chamber of Commerce

Georgia Chamber of Commerce

Georgia Association of Chamber of Commerce Executives (GACCE)

and outlined the benefits and pricing for each (see Attachment D). After discussion, the board decided that a GACCE membership would provide more benefit to the Alliance than the other two organizations. Jane Dixon moved to have the Alliance join GACCE; George Williams seconded; approved unanimously. Since the Alliance will not be joining the U.S. or Georgia Chambers at this time, we will delete the benefits that would have been available to our members from those organizations from our Membership materials.

Welcome Center Re-Opening Plan. Kathleen Reed reviewed the plan for re-opening the Welcome Center with a target date of July 20. We will try to hire a Director of Operations before we re-open. The state RVIC organization has prescribed some safety guidelines by which we will abide. Jane Dixon moved to accept the reopening plan; Kathleen Reed seconded; approved unanimously. (see Attachment E).

Membership Campaign. George Williams outlined the plan to get new investors to the Alliance. He encouraged board members to be the first to sign up as members. All board members received a spreadsheet of businesses and organizations who are potential Alliance members – George is asking board members to review the list and volunteer to approach those they know. (see Attachment F).

OPEN FLOOR

Jane Dixon, Publicity Chair, announced that she will attend County Commission meetings on the first Thursday of each month to update them about the Alliance.

William Back noted that the Dade Arts Council is organizing, and he invited them to make a presentation to the Alliance.

Discussion about the conflict between the County Commission meeting and the Alliance board meeting scheduled for July 2nd. It was agreed that the next Alliance meeting will be moved to Wednesday, July 1.

Pre-Meeting Report
June 18, 2020**

The Welcome Committee approved adding Microsoft Office 365 to the office computer for \$6.99 per month. Kat was paid as a 1099 contractor for the hours she has worked.

The deposit required for our lease was paid and the June rent payment was made.

Documents from the State of Georgia were applied for and approved to allow us to collect sales tax on items we may sell, employee people and pay taxes we may owe on a quarterly basis.

We have received Regional Visitor Information Center (RVIC) and DMO money from the city. This is restricted money and can only be spent for specific purposes such as Tourism Conventions and Trade Shows (TCT) - *"Planning, conducting, or participating in programs of information and publicity designed to attract or advertise tourism, conventions, or trade shows."* And all restricted money must be expended in the fiscal year that it is collected per Georgia Law.

I would like to have each person with an area of responsibility to please submit a budget. Please provide the what, why, time needed, is it repetitive and the description via email to treasurer@alliancefordade.com.

The Welcome Center Committee has requested \$150 to paint and freshen up the Welcome Center.

The web committee would like to have \$200 approved for website software. This is likely to be an annual expense.

Soon we will have less than \$1,000 (unrestricted money) in our bank account. If the Membership Committee approves, I recommend we receive individual memberships. I believe that cost is \$50 and would like to see those receiving this report to consider joining as an individual.
