# How will you market your business in 2026?

In a time when more and more people are doing their shopping online, it's difficult for small business owners to keep new customers coming through the door. Many turn to social media alone to market their business and some depend on direct mail, signs by the road or word of mouth referrals. But what about the hundreds of potential customers who do not shop online or search social media for an item or service they need?

They want to pick up a paper and read it and keep it for future reference. The Country Trader showcases your business in front of thousands of potential buyers each and every week.

The Trader is available online ([www.countrytraderonline.com](http://www.countrytraderonline.com) and on Facebook) and in print. We encourage our readers to 'shop local'.

So, how do you get new customers in your store?

ADVERTISE aggressively with great offers, coupons, and expanded service! Give buyers incentive to spend their money with you! .

The question is not *"Can you afford to advertise?"*

The question is *"Can you afford not to?"*

Country Trader offers your business the tools you need to not only survive, but grow and thrive by offering you the best possible value for your advertising investment!
