Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing. Ask for Pat!

September sports..yep might be one of the most exciting months in sports..welcome to Let's Talk Sports...for Pat the owner of Cover Ups..the finest equipment and the most talent for sewing..from custom bedspreads coverlets..pillows..to some alterations...Pat Edens covers all of middle Tennessee and southern Kentucky..just like we do with the Trader..call Gwen in Gallatin and if you want to trade..sell or buy items, Gwen can help you place your ad in the Trader..our paper covers so many with the paper and on line at www.countrytraderonline.com! My name is Bill, my background is a fan, and doing TV and radio on everything from pro softball on Espn and a pro basketball league, college basketball and football..lots of years with high school football and basketball..I just have covered state championship games, have broadcast from the top of a trash can with my ole partner Julius Brazil....You have to be flexible, but the main thing is getting to know the players, parents, fans..people make it fun and sometimes sad...if your into golf, racing, tennis, even fishing like Miles Wanstrath...any sport in our area, we love to talk about the sport and the people who play it and the fans who support them...Long time announcers like Bobby Ridings in Gallatin..the Cheese, Hartsville..very well known stars. Usually high school teams have announcers who are also fans. They cheer with wins and hurt for the teams when they lose....Western and Middle Tennessee both loaded in football and basketball..Cumberland in Lebanon a legendary baseball power also has soccer, football, basketball for men and women and btw..the women almost won it all last season..Jeremy does good coaching..Treveca, Belmont, Lipscomb, TSU, Tech... all give us fine games to choose from in baseball and basketball..Got a new pro soccer team playing their games at the Sounds field in Nashville. Golf courses plenty, and plenty of fine players. Speaking of golf, rumor has it that Eddie Sherlin, who was all everything and even played pro, has a son headed to college.. Read about him. In football, Big Orange people and Vanderbilt hold their breaths over some nagging injuries....The Titans played as bad as I have ever seen a two tone blue team play, but it was against the Bears and it was exhibition....Hot Rods baseball in Bowling Green and Sounds in the city had decent teams...Goodlettsville and Gallatin little league looked great...Jumping to football again, did you know Portland Panthers have a darn good female kicker? Keep your eyes wide open and see if we are shocked next games..This area, from Scottsville and Franklin Simpson in Kentucky should be good..Bob tells me grandson Kyler is healing from an injury..Will play baseball and basketball, and I have the same situation..big Miles Wanstrath is okayed at Vanderbilt to start on condition work and looking to baseball and fishing at Gallatin High. Dan Barber, the radio man, says grandson trying his many talents at Vol State..Speaking of that, Rusty Melvin has maybe the best looking big athletes..just gotta find a place for those good kids to live...help him if you can....hall of fame coach Johnny Lynn has his young ladies all close by. We have championship racers, Ping pong champs, and even a slamon nation champ....We are a hot territory for sports and good people..support your players and teams....I am Bill Buntin.....enjoy your holidays..love your fellow fan and your country..remember the doctors..nurses.. police, fireman and anybody who missed a holiday so you could enjoy yours...this is Let's Talk Sports.
