Why am I running?

Because Gallatin needs a candidate with diversified experiences, both personally and professionally. I am the most experienced and qualified candidate and would greatly appreciate your consideration.

Good or bad, life experiences shape us all. As a resident of Sumner County for over 40 years, I understand the concerns we have about Gallatin's future. It is my goal to help shape our town in a way that allows everyone to experience a great quality of life. Balancing the inevitable growth, while preserving our history, character and small city appeal isn't going to be easy. I know the solutions to difficult issues aren't always printed plainly in black and white. If elected, I will want to hear from you personally! We never know who has the next solution or great idea. I humbly ask for your vote on November 6th.
