Lets Talk Sports with Bill Buntin

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Welcome to Let's Talk Sports here in the Country Trader and on line www.countrytraderonline.com. See or call Gwen, our general manager. Gwen will help you with your business or event ads in the Trader and she is great to work with. Our sponsor for Let's Talk Sports is Pat, owner of Cover Ups Custom Sewing. No job too big or too small. She has her shop in Gallatin, but covers the entire Middle Tennessee and Southern Kentucky area and Pat will pick up and deliver as well. Call 615-230-8433. I am Bill Buntin, locally might have played games with you and with your team. I have broadcast for most high schools in our area. I want to hear about your team, town and players. Well, the Super Bowl was exciting. A hard fought defense battle to the very end. The Volunteers of Tennessee came up big. St. Louis ranked number one in the nation. Kentucky coming on strong...making Bob Prichett and other Big Blue fans happy. Bob excited about Franklin Simpson High football, basketball, and soon watching grandson, Kyler, in baseball. Just as I am watching Miles Wanstrath at Gallatin High. Best wishes to Bill Crafton of Portland. He and brother Tommy big Portland supporters. Many coaching changes on our area. We will try to catch on that soon. Rusty Melvin, head basketball man pleased with big win and fine play. So happy to see his former Macon County star come thru four The Pioneers. Not many games left, and hopefully 'all everything' Eddie Sherlin and I will be on the radio powerhouse 88.5 fm. Maybe even joined by Larry Joe Inman, an honored Hall of Fame college coach. I heard from Cherokee. My son, Will has this very Mary man as a godfather. Speaking of Will Buntin, he is in Kansas City, doing great and writing future movies...and speaking of movies...the Union and Gallatin movie will happen. Heard from Earnest Mithras, known to friends as Jack, from Gallatin and big Mike Tidings called giving me the sports rundown, especially pro wrestling. Things moving fast in Allen County, Kentucky. In Portland and White House for Spring sports, Mt Juliet and area loading up just like Beech, Station Camp, and Hendersonville. Trousdale County and Westmoreland excited. Have heard from radio great, The Cheese about Trousdale and Smith County. Come on Cheese catch up. Lol. Gallatin baseball goes outside to work out next week after hard work in the center these few weeks. Pulling hard for Miles Wanstrath and teammates. New Green Wave football coaches getting to know players and fans. Friendship, Goodpasture, Pope John Paul do well in the Spring. Lebanon getting another new school. Wilson Central happy with Spring getting here. Word has it that Nascar racing wants back in Nashville as rumors spread about a new stadium in east side of Nashville. Titans stadium just to bring in Major League Baseball. Little guys baseball, soccer starting. Have not seen best friend John McKinney who helped start summer baseball for teenage guys. My, ohh my, how it has grown from Russ Melvin / McKinney days. Softball for men...not as many teams but still competitive. Cumberland University and Middle will have good baseball and Bob Dorris, a Portland lad, works every game for the nations number one rated college baseball team. That is power packed Vanderbilt. Sonny Grey who threw several touchdown passes against the Wave while playing at Smyrna, is pitching in the Majors. Back to the refs I believe. Now help get me information on your local young men and women from your town. We want to be your local voice. Vol State head basketball coach pulled off big wins with the help of a young man from Macon County. Only a couple of Vol State basketball games left here at home. You should put the two monster doubleheader left or listen on 88.5 fm. Rusty, we are lucky to have you and athletic director Bobby Hudson. I am Bill Buntin, saying get me information on your town, team, players. Bill Buntin signing off.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
