- Amended Returns for other Services Clients

Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing. Ask for Pat!

Hello to the most wonderful people....all of you who read and use the wonderful paper, The Country Trader, which serves several counties in Middle Tennessee and Southern Kentucky. Gwen is always happy to help you with your business or event ads in the Country Trader and you can submit your classifieds ads on line at www.countrytraderonline.com. Our sponsor, Pat, owners of Coverup Custom Sewing is so special with custom pillows, bedspreads, comforters, any custom sewing. Coverup will pick up and deliver and they serve any area. Now, I am Bill Buntin, sometimes I broadcast on radio and tv and have done major games with play by play. Most of all, I am a sports lover...from softball, basketball, most all sports, including racing and hockey. Now baseball and basketball getting most of the attention. The Big Orange men playing well... ranked number one in the nation but the press trying to push Duke ahead of Tennessee. Vandy lost Doctor Williams to heart attack last week. Nice man. Had just retired. Bob Dorris, former Portland lad is at every Vandy baseball game working for them. Of course you know they are pre-season number one in the USA. Preds hockey up and down. Rumors have large groups trying to move Major League Baseball to Nashville with new stadium across from Titans stadium in East Nashville. Wow new soccer. Maybe Nascar coming back. Vandy, Belmont, Lipscomb, in town with MTSU, Cumberland, Trevecca trying for sponsor money and fans. Titans are in place with fan base. The high schools and local colleges from area fighting for fans and dollars. Yes, Preds feel comfortable. Minor league baseball safe with Hot Rods in Bowling Green. Bob Prichett and I talked about parents and fans need to work out the schedule to plan what they can get to and which days. New high schools coming to Sumner and Wilson counties needing more fans and dollars. Vol State has good program on main campus for men and women. No charge. Good players but still trouble getting crowds to come out. Did you catch NO CHARGE to see good kids play in a fine facility. Still we have so many events to choose from; bike races, runs, fishing. Wow, that's double wow. If you want to get out and enjoy life, you can do it less than an hour from your home right here. Keep in mind White House had a State championship soccer team. Portland won a title in volleyball. Name it, we have it here; lakes, civic centers. Yes, we are lucky. Gallatin High new football coaches. I am sure other changes. Dewayne Alexander will make Tennessee Tech a football power. Cumberland already a national baseball contender. Little league baseball, little kids soccer and softball, fishing tournaments.... well, you get the idea...something for all to enjoy in the greatest place on earth. And from what I understand thousands more moving to our little part of this planet. Fun this week talking sports with Sherlin, Inman, Prichett, Dorris. The super baseball and basketball player, Jerry Bell said Wilson, Sumner, Williamson, and of course, Murfreesboro, Warren County, Kentucky have anything a sports fan could want. Even for buddy and neighbor finished top ten in national bass fishing tourney. My best to sports fans Tommy and Billy Crafton in Portland, Gary Legette in White House, Dan Barber in Hendersonville, The Cheese in Hartsville. Of course, Mr Sports Fan, Bob Prichett waiting for the Tennessee/Kentucky basketball battle. Barry Wells tells me the Tide had a great recruiting year. Now Bama did they really need one??? So catch us in the Country Trader and www.countrytraderonline.com

WHY PRINT ADVERTISING WORKS FOR YOU.

*Print Advertising
reinforces your
social media,
website, radio and
television
advertising and
our readers will
keep it for future
reference.*

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
