COVERUPS CUSTOM QUILTING • 615-230-8433

Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing. Ask for Pat!

Welcome fans to Let's Talk Sports. We are here in the Country Trader every week and on line as well. Gwen, our manager, will assist you with your business or event advertising. You can submit your classified ads online at www.countrytraderonline.com anytime...day or night or weekend...24/7! Our sponsor is Pat with Coverup Custom Quilting. She does bedspreads, pillows, almost any sewing need. Shop is in Gallatin, but serves the entire area. Cover Up will pick up and deliver.

I am Bill Buntin. I have background in play by play radio and tv. Coached some. Love sports. Looking for fans wanting to tell us about their town, team, players. Big news... Kentucky over the Vols roundball. Many of the Orange fans are unhappy with officials. We hope Vols and Kentucky both go far in tournament. Gallatin and Mt Juliet boys headed for tourney in baseball. A very good Gallatin baseball team firing up for February start. Coach Rusty Melvin talking about Vol State basketball. Lost the top scorer in the entire nation and fought hard this season. Women coach, former globetrotting great, Otis Key, finished with nice win over Memphis. Bob Fortis, formerly Portland baseball player, now with Vandy baseball, ranked number one in the nation. Nashville trying to get Major League Baseball to come to Nashville. The NFL draft will be held in Nashville. Over three hundred fans expected to come here. Preds are struggling. We are looking for Springtime sports news from all counties. Bob Prichett flying high after Kentucky win and Franklin Simpson expected to be great in baseball. Bob says grandson better after surgery and expected to see some action. I hope Miles Wanstrath gets some action at Gallatin High. Former Gallatin coach and college Hall of Fame coach, Larry Inman, looking around for a position to help. Trousdale County has another Satterfield as new head football coach. Dewayne Alexander, head Tech man, now on recruiting trail. White House and Hendersonville loaded for baseball. Portland could have great Spring just like White House. Did a broadcast with fabulous Eddie Sherlin and Macon County legend Sherman Jent joined us. Good luck to Vol State and Vols and Cats in tourney action. Western might be there. If you have sports news about your area let us know. I am Bill Buntin saying thank you for kind comments.

WHY PRINT ADVERTISING WORKS FOR YOU.

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
