## Lets Talk Sports with Bill Buntin

Sponsored by  
**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing. Ask for Pat!*

Is it really Spring?? Basketball the big news. Hello I am Bill Buntin for Gwen McReynolds and the staff of the Country Trader. Yes, we serve Middle Tennessee and Southern Kentucky. Just like Pat, the owner of Coverups Custom Quilting. Pat does coverlettes, bed spreads, pillows... any custom sewing. She will pick up and deliver your product back to you. Nobody does better work than Coverups. Gwen, our boss at the Trader, will assist you with your business or event ads in the paper and and you can place your classified ads on line anytime at [www.countrytraderonline.com](http://www.countrytraderonline.com). Well, top news, the Tennessee Vols had sweet revenge over Kentucky. The Kats blasted the Vols in Lexington, and Tennessee stormed back in Knoxville. Vandy loses again. LSU still playing for top seed in the sec tourney that will be played in Nashville for the men. Obviously tourney will be fun to watch with TSU, Peay, Belmont in the hunt. Watch us here to keep up with Lipscomb, MTSU, Western Kentucky in action. Tennessee Tech and Cumberland we will watch closely. Rusty Melvin and our Vol State round ballers lost a heart break in their tourney. I understand Johnny Lynn has his softball team already out on the diamond. High school tourney play continues in basketball just as volleyball and baseball play hard at it. Cherokee, my spotter, will let us know about White House and East Robertson. David Hodges knows about Portland. Bob Prichette says Franklin Simpson and Allen County hard at it .. Beach and Station Camp loaded. So is Mt Juliet. No word for always tough Cumberland & Lebanon and Wilson Central. Pope John Paul reporters needed. Paula Shannon can help information on Panthers and Westmoreland. I heard from ace reporter star, The Cheese says Trousdale County, Macon County, and Smith County will come to this page. Miles Wanstrath left Gallatin high baseball and now is headed for the high school fishing team. You do know the sec tourney and the NFL football draft will both be in Nashville this year. Ovc tourney is not in Nashville this year. If you want to reach thousands, just simply let just know. Former local star, Johnny Jenkins, signs with New York. Former teamsters from Vandy, Luke Kornet also with NY. Portland great, Corey Brewer, picks up three million contract with NBA team. Let us know about your team, town, and players. We will let thousands know, and I would love to talk sports with you. This is Bill Buntin saying thanks. And saying goodbye to my dear, dear friend Billy Crafton who passed away last week. He will be missed by dear friends and brother Tommy Crafton. BB

# WHY PRINT ADVERTISING WORKS FOR YOU.

*Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.*

## Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

### Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

### Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

### Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

### Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

### Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
