If you are looking for custom pillows, bedspreads, coverlets...yes any type of custom sewing, Pat at Coverups is the person to see. She does pickups and delivery covering all of Middle Tennessee and southern Kentucky. I am Bill Buntin your local sports nut. What a baseball tourney I saw as Post 17 had the Tennessee State tourney... great job folks even with heat index over one hundred for all the games. Saw old teammate there, the fabulous player of major league background, Jerry Bell, now holding clinics in Wilson county. Bob Prichett gonna take his young athlete to see Jerry. I suggest you do the same. Big leager Eddie Sherlin playing in Major Gold Tourney in Kentucky while nephew Dewayne leads seven and over baseball to National Championship. Jim Girls grandson son and old friend Dan Barber both had big national championship rings after the win. Southeast girls softball in Hendersonville this week. Colton Weiner and six year old Jack Sudberry win Junior Golf Tourney. Big turnout for fun and games at Sumner County Fair. Gallatin football played some seven on seven football against Mt Juliet and Riverdale. Rory White, of Pope John Paul, going to college in Air Force. Beech star, Alex Dillard, to play for team USA. Station Camp player heads Florida school. Go Nichols. Fishing is fine in Scottsville, Carthage, in Gallatin and Hendersonville on Old Hickory. In just a few weeks dove, squirrel, and turkey season will start for you hunters. Prichett tells us Hot Rods pro bseball bunch in Bowling Green on fire. Sounds baseball in Nashville know this is the perfect place to live if you enjoy sports. The Titans, The Preds, Big Orang, Vandy, Kentucky... all are close. Same with MTSU, Western Kentucky, Tennessee Tech, Vandy Baseball, Vol State sports, Cumberland in Lebanon. Yep a great place to be a sports fan and or player. I am Bill Buntin. Call or email and we will talk sports. Billbuntin007@cloud.com.

WHY PRINT ADVERTISING WORKS FOR YOU.

CALL TODAY FOR PRICING AND TO RESERVE YOUR SPACE!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference. It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
