Sponsored by  
**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.  
Ask for Pat!*

Welcome sports fans, friends neighbors. I am Bill Buntin and this is Let's Talk Sports. Catch us in the Country Trader, covering middle Tennessee and southern Kentucky, in print and online! Let Gwen help you with your business or event advertising and remember you can place your ads online anytime on our website: [www.countrytraderonline.com](http://www.countrytraderonline.com).

We have been with you for years and just curious if you would like something different. I have played at some level all the name sports, no hockey or soccer, but like to watch, or listen, even read about them as well as all the rest. From little league to big league, from Bowling Green to Murfreesboro. My sponsor is a sports nut as well and also the best person that does alterations on most clothes, does custom bedspreads, coverlets, pillows, plus Coverups Custom Sewing will pick up and deliver for you. Pat's shop is in Gallatin, but handles business from all over.

Now the news good and sad. In high school play offs, yes to a huge win for the Trousdale County Yellow Jackets. Beech, Hendersonville, Lebanon, Mt Juliet, White House, Portland, Westmoreland, Macon County, Gallatin, now all turn to winter sports...good volleyball...great basketball. While you are not following about high school, check out Rusty Melvin and his Volunteer State Pioneers. No charge, great gym and exciting basketball.

Titans still have outside shot in NFL. Preds need a win streak in hockey. The Big Orange men and women hustling and football needs a single win for bowl. Belmont men in basketball shocking folks, and Western men and women always tough. Bob Prichett watching youth hockey. Keeping an eye on Allen County and Simpson County roundball. White House and Heritage competitor East Robertson has great games. Wilson County, Mt Juliet, Lebanon, and Cumberland University fun place to go. Westmoreland always good in basketball. Vandy could shake things up and you know Lipscomb and Belmont great place for games. Check out the Gentry Center got Tennessee State. Beech, Station Camp, and Hendersonville should be competitive. David Martin now with Jacob Foundation and recently talked to Key Dillard, former Macon County Star and Portland coach. I am Bill Buntin, Let's Talk Sports right here. Every week in your Country Trader.

## WHY PRINT ADVERTISING WORKS FOR YOU.

CALL TODAY  
FOR PRICING  
AND TO  
RESERVE YOUR  
SPACE!

Print Advertising  
reinforces your  
social media,  
website, radio and  
television  
advertising and our  
readers will keep it  
for future  
reference.  
It also reaches customers  
who are without internet  
access or don't use  
social media.

### Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

#### Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

#### Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

#### Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

#### Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

#### Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
