Hello friends and neighbors and to you across the fruited plains of mid America. This is Bill Buntin and Let's Talk Sports. We meet here every week in the Country Trader, serving middle Tennessee and Southern Kentucky...plus we are on line as well. It's all brought to you by Pat at Coverups Custom Sewing. Pat serves the entire area and has pick up and delivery. Now if you want to tell Thousands about an business, event, or product you have, call or e mail Gwen at the Country Trader. Remember, you can place your ad anytime, day or night, on our website www.countrytraderonline.com.

We were served some super college football with LSU being fabulous, Oklahoma super, Ohio State and Clemson showing how exciting college football can be. The Tennessee Titans over the Oakland Raiders. Kentucky, Tennessee, Western Kentucky, Memphis State, great in football and basketball. In Tennessee it was East Tennessee sweeping all the football championship games. Basketball has started for White House, Portland, Gallatin, Westmoreland, Trousdale County, Mt Juliet, and more. Volleyball drawing crowds. Big Phil Byrd, Franklin Simpson, gets good coverage courtesy Bob Prichett, the tax expert. **Sorry to report a death in a fine family that owns the famous Top Hog restaurant on Blythe in Gallatin, and highly loved attorney, Jim Hawkins, passed away.** In Portland, we know athletic family the Collins' lost Wanda Collins.

Preds back in town and are playing good hockey. NASCAR folks buy Nashville fairgrounds property. Cumberland in Lebanon, Belmont, and Lipscomb University excellent teams. Coach Dewayne Alexander and Tennessee Tech played host to all of the state football championship games. All everything, **Eddie Sherlin, says yes, the men are still golfing. Phoenix star Lance and my Wilson County buddy, Eric Montgomery, now both on pro fishing circuit.** If you have players, teams, or towns to talk sports with, just let us know. Kansas City home and my son pumped about the Chiefs beat New England in NFL play. Tommy Crafton in Portland watching Vandy basketball. I am Bill Buntin and I want to talk sports with you.

P S. The Vols will play Indiana in the Gator Bowl.

WHY PRINT ADVERTISING WORKS FOR YOU.

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.
It also reaches customers who are without internet access or don't use social media.

LET THE TRADER HELP YOU MARKET YOUR BUSINESS IN 2020!

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
