Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Hello all welcome to Let's Talk Sports here in the Country Trader and on line. Gwen, our manager, will help you with your business or event advertising needs. Place your classifieds on our website www.countrytraderonline.com anytime, day, night, weekend! Our sports brought to you by Pat, owner of Coverups Custom Sewing. Located in Gallatin, but serving all of Middle Tennessee and Southern Kentucky with sewing needs from custom bedspreads, pillows, coverlets and more. Add beauty to your home at reasonable prices.

I am Bill Buntin, background in radio and tv. Now, let's start by saying how sad we are to the storm victims and families. If you want to help, then they would appreciate it.

The men's SEC tourney starts this week in Nashville. The Predators playing better...are on the road. Our best to OVC Champs Belmont men. Lipscomb and Western Kentucky should be Tourney bound. Our Vols depending on tourney play, should be playing on it the tourney or NIT. What a finish in Kentucky Florida men's basketball game. On a sad note, TSU hit by storm damage... twenty million dollars worth. Allie Nicholson doing great in internationals. Big changes in Vols football staff. Nashville Sounds new infield and repairs storm damage. Sounds and their parent teams donated to storm damage fund. Amy Adams donated one million dollars. Preds also helping. Tennessee Vols and Vanderbilt Baseball teams both top Five in the Nation.

Congratulations to Allen County, Scottsville basketball teams. Great season. Best to hard hit by storm and to the upperman basketball. Westmoreland girls, Trousdale County, and the number one rated Macon County. Lafayette should be proud. Red Boling great season also. Mt Juliet hit hard by storm. Also very proud of teams at Wilson Central. Gallatin has new volleyball coach. Baseball started for the Wave, Beech great sports seasons. Little league has selected teams and ready to make players and parents aware. The big Green and Gold gala was sold out and huge success. We will inform you all about our new soccer team in Nashville. Young girls softball has started, just like White House, Heritage, Portland, Gallatin, Lebanon and all around. Bob Prichett even has young one in Franklin Kentucky doing roller hockey. The master golfer, The Cheese, in Hartsville is gonna tell me when he tries to defeat the sports legend, Eddie Sherlin, in golf. It's sports time. So many teams in so many sports. Even fishing for the pros like Laguado great Eric Montgomery. I am Bill Buntin thanks for the kind words by so many of my sports friends on Let's Talk Sports.

WHY PRINT ADVERTISING
WORKS FOR YOU.

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference. It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
