Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Good day friends, neighbors, business leaders, and sports teams. I am Bill Buntin. Our program is Let's Talk Sports. We talk to you right here in the Country Trader and also on line as well. Gwen will assist you with any help you might need with your business or event ads that reach thousands in Middle Tennessee and Southern Kentucky and around our country online at www.countrytraderonline.com. You can submit your classifieds ads anytime on our website! Let's Talk Sports is all sponsored by a classy lady, Pat. She's the owner of Coverups Custom Sewing. New pillows, bedspreads, coverlets, will do wonders for your home. Also alterations by Coverups are available. Pat has a workshop and office in Gallatin, but can pick up and deliver.

I am Bill Buntin... sports fan, background in radio, TV, and print, and also huge follower of local teams. This is a time that is new to me and the rest of the world. All sports teams from college to pro sports have been put on hold due to this tremendous virus. First time I ever heard the name called scared me, now rightly so. I saw events already started that were stopped. First, some were going to play with just a few family and close friends...then just the players and coaches, and now seasons cancelled in basketball. All levels, soccer, golf, football, baseball, playoff, state tourneys....regular season... no go. Our heads of politics had told us to stop it all. I still don't understand racing, little league or events like pro wrestling. I am so confused. But I am not the only one. Never in our history has any one event stopped all sports. I will still admit I don't understand how the SEC tourney, NBA stop immediately, but a high school can go across county to play a game. State tourney stopped mid tourney, but local teams still practice. Certain products disappear from our shelves. Some can go to work, some cannot. One side in politics blames the other. I hope you're smarter and I am pretty sure you are. I pray we find a cure quickly for our area, for our country, for the world. Stay in touch. Thank you for reading this rambling. Send any comments to billbuntin007@icloud.com

Gallatin leader, Darryl Barber, played in the pool tournament in Los Vegas chasing a national title. Gallatin resident, Sammy Reynolds, a well known all around athlete, also played. Both did well. Proud of these Gallatin men on such big stage. Proud men. Bill Buntin

WHY PRINT ADVERTISING WORKS FOR YOU.

**LET THE
TRADER HELP
YOU MARKET
YOUR
BUSINESS IN
2020!**

*Print Advertising
reinforces your
social media,
website, radio and
television
advertising and our
readers will keep it
for future
reference.
It also reaches customers
who are without internet
access or don't use
social media.*

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
