COVERUPS CUSTOM QUILTING • 615-230-8433

Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.

Ask for Pat!

Well sports fans...friends, neighbors, former team mates.... sitting here early in the morning with television showing news anchors mostly working from home, old sports clips, shows from long ago, and shows of great games. So this morning I would try to remember many wonderful players and games.

Gwen can still handle your business or event ads on line as she is working remotely for a few days. If you need to let people know that you are offering curb-side service at your business, or just to let people know the status of your business...let us help you get the word out! The paper is posted on our website and Facebook page, so send your info to gwen@countrytraderonline.com or submit your ad thru our website.

Pat at Coverups still can do pillows, bedspreads, coverlets, or any sewing needs. You can call or go on line and remember our sports moments.

Let's start with the Preds bringing us close to a title. The Titans taking us to a Super Bowl. The Lady Vols and men in basketball gave us Ernie and Bernie and bunches of wind. The Kats of Kentucky go all the way in college sports. Pat Summitt made following the Lady Vols fun. Vandy baseball shows they were the best in the USA. Austin Peay gave us Fly Williams. Western men and women great in basketball. The Hilltoppers won bowl games in football. MTSU built a new stadium and became the biggest college in the State. Cumberland won baseball Titles. The Sounds jumped to Triple A and a new stadium. Pro soccer announced a new team for our area. Tennessee Tech hired Dewayne Alexander as new head coach. Vol state still turning out good teams in the four major sports. Our group of courses stay full. Wonder team in girls softball for Portland, White House, Station Camp. Macon County girls named basketball state champs in tornado short season. New coaches do good jobs for many local high schools. Locals like the great Eddie Sherlin playing our local golf courses. Sports on pro level. College. High school and youth players have never been better. We have the best men. Women youth players in Kentucky and Tennessee right around us.

God bless us and protect us. From Gwen our manager, Pat our sponsor, this is Bill Buntin... thank you for being here on Let's Talk Sports.

WHY PRINT ADVERTISING WORKS FOR YOU.

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.

It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
