Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Hello friends. This is Bill Buntin Let's Talk Sports. We are on line and in the Country Trader covering middle Tennessee and Southern Kentucky. You can place any ads online if you want to reach thousands www.countrytraderonline.com. Pat is our sponsor for Let's Talk Sports. She does beautiful custom pillows, bed spreads, coverlets, any sewing need. See Pat in Gallatin. She has pick up and delivery to all the area.

We know with the virus it's tough for sport teams and fans. Our Tennessee Titans will have a restrictive schedule and no live seating. But games will be on radio and TV. Peds working for next year. No Sounds baseball. No more racing for this year. The nationally known Conway Twitty softball tourney returns to Hendersonville.

Some of our schools like Cumberland will move fall sports to spring sports. Tennessee trying to play smaller schedule starting in September. Vandy all sports pushed back. Even the Kentucky Derby has pushed back and no live fans. So as we get information from Dewayne Alexander at Tennessee Tech we will pass it to you. Same with Middle, Western, Peay, Belmont, Lipscomb. We will let you know.

Now for up dates. Gallatin won over Lebanon Friday night. The size of the crowd surprised me. Home games at some schools are limited, Larry Lane tells me. Despite having a tough loss, they played lots of young kids. Kaye and Gary celebrated their daughter Constance is now the first female to be a Head Football coach. She now leads East Robertson. Westmoreland, Hendersonville lose. Trousdale shocked by Friendship. Cheese says it was only a mild upset because Friendship is very good. Mt Juliet winners. Of course our Kentucky schools open later. Our best to family of Mike Farough, long time Panther. Hello to Portland great, Gill Short, on his fishing tips. It was great to talk with Judy Jones Rose, along with brother Tommy and cousins, thrilled White House fans with their athletic skills. Thanks to Barry Hiatt for his excellent coverage of Macon County plus other teams in the area. If you have a team, player, or any sport on any team in the area. billbuntin007@icloud.com.

Thanks to all... we have done this for some time, and if you want us to talk sports with you, let us know. Stay safe. Cheer for your teams.

I am Bill Buntin and love to hear from you. Be safe ALL.

***The importance of adding
print advertising media to your
marketing campaign is actually
a lot more far reaching
than you might think.***

***Print advertising actually
has the ability to do some of
the things that almost no other
type of advertising is able to do.***

1: Newspapers and magazines are kept around for months and are convenient to rip out and fold and keep in their pocket or hang on their refrigerator until they are ready to use them.

2: Affordable rates and guaranteed readership equals results! Don't waste money competing with other content...The Trader is 100% advertising!

3: People are constantly being bombarded with advertising on their phones, social media pages and television, so they tend to ignore advertising altogether. People who pick up a paper to read are doing so because they want to, and will be more focused and engaged in reading what your ad offers.

4: Most people are more trusting of a business they see in print advertising. Print advertising improves the results of other types of advertising as people are more apt to remember the ads they saw in print.
