Welcome all to Let's Talk Sports. It's stories with local interests in the Country Trader print edition and here on line (www.countrytraderonline.com). I am Bill Buntin, a sports fan.

Our manager, Gwen McReynolds, will be happy to help you with your advertising needs, or you can place your ads online anytime on our website www.countrytraderonline.com. Our sponsor is Coverups Custom Sewing. All sewing needs in Middle Tennessee and Southern Kentucky, with pick up and delivery. Coverups ready to serve you. Call Pat now.

The virus continues to cause up and down schedule changes. The Vols taking it on the chin and so many fans looking for answers. Maybe the SEC tourney in Nashville will give answers. The Lady Vols fighting for top twenty status. Western Kentucky playing excellent basketball. Vandy women canceled their entire season due to virus. Vandy men with limited roster. Big news... Belmont men crushing as the top unbeaten team in the country hit that trip thru Death Valley losing back to back games. Wow!!! Cumberland of Lebanon playing football and baseball now. Trying to catch up. TSU women tough year, men playing good basketball. Our Vol State men coached by Rusty Melvin played in Columbia. Athletic Director Bob Hudson trying to juggle men and women basketball, baseball, and softball. Plus, the school host to food baskets for needy and to massive undertaking giving shots for those needing them to fight deadly virus. Great job by Vol State staff. Pro baseball starts soon with Sounds in Nashville and Hot Rods in Bowling Green, Kentucky. Bob Prichett, local tax man, pulling for the Kentucky Kats men and women basketball bunch. High school basketball tourneys being played. Macon County impressive. Watch for more teams to move forward. Smith county strong. Scottsville, Allen County a chance for big trophies. Portland has brand new head football coach. Thanks to Tommy Crafton super fan for that information. Friend of mine and former teammate that could play some great basketball, tells me the golfers are out in Portland and at Kenny Perry's golf course in Franklin, Kentucky. Former Green Wave player and huge Alabama fan Barry (Bama) Wells doing well after surgery. The big insurance leader in our area is a major supporter of teams and games. Get better Barry and thanks Carl Wells Insurance for all your support. Yes, we will race in two places in our area this season. Happy for Tennessee Tech football man, Dewayne Alexander, and his family as the guys and gal rack up awards. Big softball happenings in Hendersonville with the big Bubba Smash. Years ago Country Super Star Conway Twitty put his sponsorship behind one of the top slow pitch tourneys in the entire country. The same said of Johnny Cash, who sponsored a national known basketball team and the big man had a softball team in Gallatin.

Kentucky women lose in SEC play, Lady Vols looked good. Winning over Auburn. Lake fishing is great in our area. The Texas A&M ladies upset South Carolina in regular season finals. That's right Sec tourney in Nashville. Vandy baseball team still red hot. Rocker maybe best thrower in the country. Volunteer State men's team loses heartbreak game by two in overtime. Rusty Melvin said he was proud of his team. Did you realize that Vandy women had canceled their basketball season before Christmas?

If you have sports news, you can get me billbuntin007@yahoo.com to tell all your friends neighbors and fans about sports of local interest. Thank you for you comments. Thanks all.

In closing All of our love to the family of Sylvia Vradenberg, wife, and mother, and sports supporter. Yes Coach Vradenberg, she is missed by all. Our prayers!!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference. It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
