Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Hello...it's time for Let's Talk Sports. I am Bill Buntin, working with Gwen, our manager at the Trader. She will be glad to help you with your ads or you can place them online anytime on our website www.countrytraderonline.com. It's brought to you by Pat, owner and the master of Coverups Custom Quilting. Get custom bedspreads, pillows, coverlets, any type sewing... Pat does fabulous work with pick up and delivery. Covering all of Middle Tennessee and Southern Kentucky... Coverups of Gallatin, Tennessee.

Basketball is the name of the game with hockey, baseball, softball, and still football bring played.

Yes, the Virus has caused all kind of scheduling changes in all sports. Newspaper, radio, TV and on line coverage have combined to keep us informed. Word just out on several coaches changes. Athletic director Bob Hudson of Vol State keeps us up as softball and baseball are playing. We are blessed with basketball and the super year for Belmont. Proud of coach **Dewayne Alexander and football at Tennessee Tech. Vanderbilt changes in many sports but the 300 million dollar donation will help.** Vandy and Tennessee baseball teams top Ten in the nation. Cumberland of Lebanon always tops. Gallatin softball is super. Baseball games now streamed, as is Portland. Nice to see that coverage. I heard from sports expert Tommy Crafton of Portland who catches us up on lots of local players. Sorry in talking about good Panther basketball players, I need to mention a gunning southpaw named Gentry, average over 20 per game when he played. Speaking of greats, the top must be Eddie Sherlin, all everything, for Gallatin...former pro baseball player, all state football and basketball, track star, golf, table tennis is a Jerry Vradenberg like all around player...now he is to co-star in a movie. Portland great Anthony has taken a coaching job in the NBA and will not be an active player. Hot Rods pro baseball in Bowling Green is the team expert Bob Prichett will follow. Of course, Nashville Sounds will be fun. Just like round track racing in Wilson County at the Super Speedway. Plus downtown new track in the city, yes, drag racing at Union Hill. White House has a great athletics program for all ages, plus their public address guy is trying out for the Titans job as changes are happening there. There are exciting possibilities with Liberty High School being built near Cottontown.

My fishing neighbor from the pro circuit says fishing is fine in Scottsville, Carthage, Gallatin and more. Little league baseball time. Tennis courts opened up. Soon we will know about Civic Center in Gallatin. Wear your mask, take your shots, keep a safe distance, get on out and enjoy your golf game, running, what ever the sport. No place has it like our area. Each town with their own parks director. Everybody has some activity to enjoy and a place to do it right here in Middle Tennessee and Southern Kentucky. From the Kenny Perry golf course in Franklin to the Wilson County fair. If you have a team, a town, an event, remember we reach thousands here in your locally owned Country Trader and on line. Stay in touch and let's talk sports. Men's and women's NCAA basketball is wild but U Conn, South Carolina were early picks in women's play. While everybody said no doubt Gongaza for men!! Watch Vandy in college baseball national play. We will go thru coaches changes in the next couple weeks!! The location for major league all star moved out of Georgia. I Conn upset in women's basketball tourney. Vandy young pitcher gives up first hit in 20 innings. Only a Freshman. Portland gets baseball victory over a good Westmoreland team, and Gallatin team hit. White House public address man in finals for Titans public address position. The Tennessee Vols get great transfer from Auburn. Dewayne Alexander wins his 50th game as a college head coach. Tech fine win over the tigers of TSU. UCLA - Gongaza...what a game it was. Best I have seen in years on any level. Gallatin girls win softball tourney. Jim Fritz is proud. What a finish...Gonzaga and Baylor. Stanford women win the national title in basketball. Ryan Hunt leaves Vol State Baseball for head job at Cumberland baseball in Lebanon. Ovc football playing regular schedule. Plus losing coaches to bigger school. Basketball on Peay goes as asst to Tennessee. What a finish in the national tourney game. Title goes a Texas team. The Vols baseball team ranked Fourth nationally.

**The importance of adding print
advertising media to your marketing
campaign is actually a lot more far
reaching than you might think.
Print advertising actually has the
ability to do some of the things
that almost no other type
of advertising is able to do.**

1: Newspapers and magazines are kept around for months and are convenient to rip out and fold and keep in their pocket or hang on their refrigerator until they are ready to use them.

2: Affordable rates and guaranteed readership equals results! Don't waste money competing with other content...The Trader is 100% advertising!

3: People are constantly being bombarded with advertising on their phones, social media pages and television, so they tend to ignore advertising altogether. People who pick up a paper to read are doing so because they want to, and will be more focused and engaged in reading what your ad offers.

4: Most people are more trusting of a business they see in print advertising. Print advertising improves the results of other types of advertising as people are more apt to remember the ads they saw in print.
