Stop the bleeding and meeting felt needs.

On Tuesday October 9, 2018, 12:00-2:00 pm Community Outreach Ministry (COM) will be at Aspire Community Day School (ACDS) from 12:00-2:00 pm sharing with Hemet students: Why is STEM and Robotics important for college and career readiness? COM will return to ACDS to host the "Gearing Up for STEM" Mentor Protégé Workshop on Tuesday, October 30, from 11:00 am to 3:30 pm. Two 2018 Campers Recommended for Mentors and Scholarships

Community Outreach Ministry (COM) has recommended two 2018 campers to Give Something Back. Give Back is a pre-college mentoring and scholarship program that reaches out to youth who have faced difficulty. The two candidates are: Fayth Ronzello, 8th grade student at Shivela Middle School in Murrieta, CA. and Jaelin Neal, 8th grade student at Lake Elsinore Middle School in Lake Elsinore, CA. These candidates have demonstrated academic success and desire to pursue higher education.

Fayth's goal is to be an educator and Jaelin's goal is to be in the medical field.

For eight plus seasons Fayth has been committed to playing softball with the Murrieta Valley Softball Association (MVSA). Fayth has won two baseball championships and has received multiple awards from MVSA. Jaelin loves to sing and plays an instrument in the advanced school band. He plays tenor, alto and Baritone saxophone. Jaelin is training in opera and has acted on stage in a broad way play.

COM is grateful for the opportunity that Give Back has provided to recommend candidates for mentors and scholarships.

Local Teens Receive Give Back Mentors and Scholarships at Inaugural Awards Night

High school students JaCori Neal and Clarissa Fears were honored for their academic achievements at the First Annual Give Back Scholar Night hosted by the public charity Give Something Back (Give Back) on August 10. The event was held at the Doubletree Hotel in Claremont and hosted by Give Back, a new charity now located in California, among other states. Give Back awarded Neal, a sophomore at Temescal Canyon High School in Lake Elsinore, and Fears, a freshman at Elsinore High School in Wildomar pre-college mentoring and college scholarships. The two teens were chosen for their exceptional academic work and also because they met the charity's criteria for the awards.
