Differentiating Benefits of the MADPAK Utility Belt Clip System:

UNIVERSAL – Most gear having a belt clip or a belt loop can be mounted to the Utility Belt.

NOTE: All above listed systems can be attached to a MADPAK Utility Belt Clip System.

VERSATILE – Unlimited portability in how and where items can be stored, carried and used.

Belt Clip can attach to straight or curved edges or bars up to approximately one inch in wide.

Belt Clip can also hang on a hook or peg up to approximately one inch in wide.

****The MADPAK System improves safety and efficiency for a wide of variety users.***

****The MADPAK Utility Belt Clip System provides an unprecedented level of utility.***
