

HFMA's

Certified Healthcare Financial Professional (CHFP)

Take the
next step in YOUR
professional
development

HFMA's Certified Healthcare Financial Professional (CHFP) designation is designed to meet the changing needs of the healthcare industry.

The CHFP certification provides the broad range of business and financial skills essential for succeeding in today's high-value healthcare environment:

- **Business acumen**
- **Collaboration**
- **Financial strategy**
- **Understanding future trends**

"I would recommend the CHFP to anyone who is interested in their ongoing professional development. Health care is changing rapidly and it is so important to understand this change from all sides as we shift toward value-based health care. Having a strong sense of how finance works in our industry is essential to being a healthcare leader."

Pete Sabal
Regional Vice President, Provider Solutions
Anthem Blue Cross and Blue Shield

CHFP is Designed for a New Era in Health Care

Module 1: HFMA Business of Health Care*

Healthcare finance overview, risk mitigation, evolving payment models, healthcare accounting and cost analysis, strategic finance, and managing financial resources.

Module 2: Operational Excellence

Exercises and case studies on the application of business acumen in health care.

Why Become Certified?

For You:

- Validate your knowledge and skills
- Learn best-practice recommendations
- Earn the credibility and recognition you deserve
- Support your professional development and advance your career

For Your Organization:

- Demonstrate your knowledge through team communications and work projects
- Drive performance improvements in your organization
- Develop business-savvy fiscal literacy and enhance collaboration with colleagues
- Advance your projects and master specialized skills
- Become a healthcare finance leader in your organization

"Our goal is to provide healthcare leaders in all sectors a deep understanding of the new financial realities of health care along with the foundational skills and knowledge necessary for leading change."

Joseph J. Fifer, FHFMA, CPA,
President and CEO of HFMA
