# St. Agnes School Foundation Newsletter

Fall 2022

## Welcome Back!

### Super Volunteers Get Us Ready For 2022-23

As anyone close to St. Agnes School knows, volunteers are the heart of the school. This year was no exception. Parents, grandparents, teachers and friends rolled up their sleeves to complete several projects around the campus.

A new conference room for Student Services and Private Consultations.

Trees trimmed and mulch spread.

The Log Cabin moved outdoors!

### Expanded Pre-K

Our Early Learning Center has taken off, housed in the former rectory. Thanks to more volunteer hours, a second classroom was prepared to house 4 year old children. Mrs. Colleen Vallone joined Mrs. Tina Culhane, who teaches our 3 year old children, to expand our offerings to the youngest students of our school. We now offer numerous options of Pre-K to serve the needs of our growing families. L-R: Mrs. Liz Dowd, Principal, Mrs. Colleen Vallone, and Mrs. Tina Culhane.

### 9/11 Remembrance Day

Our school has stopped to remember the losses of 9/11 and to thank all of our veterans and first responders for the last 20 years.

## First Day Smiles!

## ~ Upcoming Events ~ Save the Dates ~
