

# BECAUSE IT WORKS

“Advertising with the Livewire and Southern Minnesota Peach gets results. We are a results-driven business — without results, we wouldn’t exist. Just the other day, a gentleman had a recent Peach ad in his hand when he stopped by. That’s results. The wide reach and audience of the Peach and Livewire aligns perfectly with our business objectives. I’m pleased with the customer service Livewire Printing Co. provides, I’m highly confident in our marketing representative and the way he handles our account and I have always been happy with the Livewire’s graphic designers and the way they create our ads.”
