Wow! Great service and margaritas! Santiago the server was fantastic. I am a server myself and I can't remember the last time I had such great service. Simple little things, but didn't even have to ask for waters or extra napkins, he just brought them! Our margaritas were fantastic can't wait to try more! Make sure you try the queso and get some fresh flour tortillas with it! This might be new favorite Tex mex restaurant !

Ordered fahitas. The chicken was dry and almost uneddible. The chips came in a huge plastic bag that wasn't closed. Will not order take out from there again

We typically love on the border, but our last few visits have been challenging at this location. It took over 45 minutes to get our food out, which consisted of only things on the lunch menu. When the food finally came, it was cold. The cheese was hard so we know it had been sitting out for quite a while.

Lexi was the best server I've ever had. She was fantastic and I loved her manicure. Definitely will be back just because of her!

Literally the best service me and my boyfriend have had in about a year. Jesse was our server! He has the best personally and positive attitude! He made sure we had everything we needed and more. I normally don't leave a review but he deserves 10 stars! Thanks to Jesse and Rafael (the manager) we had a great experience! Great job you guys! We'll be back! Oh and yes the food was hot and taste great!

After posting yelp review I received a very nice phone call from the new GM at restaurant. I explained all the details of my poor experience. He was very apologetic. He volunteered to refund my credit card proactively. I didn't ask for this. He also promised to mail me a gift card to come back and give them another chance. Unfortunately he did not follow through on any of the promises. No gift card, no refund. Very disappointing.
