Hobbies: Going to the beach and watching the boys

Church: All Seasons

Department: Nursing – 15 yrs.

I love my job because: I get to help patients & their families when they first come into our facility. My Coworkers and I help them adapt, especially those that will transition to long term care. It is always rewarding to hear a family member say they love and appreciate everything we do for their loved one no matter how small it may seem!

CHAPLAIN'S CORNER

The month of July brings thoughts of fireworks, cookouts and independence. We celebrate Independence Day in honor of our nation's birthday. Truth is, more than any other time in our nation's history, we need to declare our Dependence on God and our need to follow Him.

Be blessed, Bro. Tal
