‘Tis the
season.....

FLU season that is!

Flu season is here! In efforts to try to prevent the spread of the flu and other colds throughout our facility we have set up hand sanitizing stations at all entrances/exits. We ask that you stop and use them EVERY time you enter and exit the building. Our residents thank you!

Prevent the Spread!

- Stay at home when you are sick
- Cover your mouth and nose with a tissue when you cough or sneeze
- Cough or sneeze into your upper sleeve, *not* your hand
- Put used tissues in the waste basket

November Right of the Month: Medicare and Medicaid/Grievances

Along with their rights, every resident also has some important responsibilities. Residents have the responsibility to respect, property, and privacy of others, keep our staff advised in matter of scheduling, assist in safeguarding your personal things, pay on time for all items and services you are responsible for, stay active in making your own choices, treat others with respect and courtesy and let us know if you have a question or concerns.

CHAPLAIN'S CORNER

1 Thessalonians 5:18 says
"In everything give thanks; for this is the will of God in Christ Jesus for you." We are entering into one of my favorite seasons of the year, Thanksgiving. It is one thing to give thanks when things are going well, but Praise God, we can thank him in the tougher times of life too.
