## December Right of the Month: Role of the Resident's Representatives

Serving as a resident's representative is both a serious responsibility and an act of love and support for your loved one. Please know that your service is deeply appreciated. If we can assist you by providing information, answering questions, discussing resident's needs and situation, or resolving problems or concerns, please let us know right away.

## CHAPLAIN'S CORNER

"It's beginning to look a lot like Christmas!" I think I heard that in October this year. Isn't that depressing?

My prayer is that we would all think less about the buying season and more about "The Gift" that God gave us. His Son, our Savior, Jesus Christ!
