CHAPLAIN'S CORNER

A friend of mine used to say, "He was worn smooth out." Sometimes we can all relate to that. Between being sick and caring for those who are, we can get run down.

But I was thinking about things in our lives that smooth us out. Things that knock the jagged edges off of us. I believe the Lord allows us to go through times that teach us how other people might feel and how we can be helpful because we've been there.

1 Corinthians 1:3-4 says, "Praise be the God and Father of our Lord Jesus Christ, the Father of Compassion and the God of all Comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God."
