- We have Claire Bevill Manning joining us as our new Activities Director. Claire was the Former Director of Expressive Arts at Boswell Regional Center for over 10 years. She also spent 27 years in various classrooms teaching music, English and drama across Tennessee and Mississippi and directed summer camps as part of her role on the Recreation Committee in Tunica Mississippi. Claire also taught in the special education program in Magee, she acted as a music teacher for Piney Woods School and took part in creating an after-school arts program for her local community in Simpson County. Claire states "I have always felt a call on my life as a missionary, yet I have never traveled to a foreign county, wherever God has me is my mission field".
- On July 8, 2021, visitation will be open for families to visit their residents without an appointment. There will only be one entrance and exit point at the facility. The designated entrance and exit point will be the front entrance and all visitors will be required to screen in upon entry in order to visit. After 5:00 pm, visitors will need to call the facility upon arrival to allow staff to let them into the facility.

July Right of the Month: Charges for Extra Services

You have the right to know about and approve any extra cost items. As part of your resident rights, you may

be charged only for items or services Medicare, or Medicaid does not cover if you specifically request them, and you may not be required to request extra items as a condition of admission or continued stay.

CHAPLAIN'S CORNER

Proverbs 19:3 says, "A person's own folly leads to their ruin, yet their heart rages against the Lord."

I believe that if the Lord never does anything for me again, He has already overly and abundantly blessed me. So

many times, people get upset with the Lord because of a particular situation in their life. Many times, they are the very reason things are the way they are, but some people will not accept responsibility.

My prayer is that we will just trust our Lord because He is in control, and He loves us.
