ATTENTION FAMILIES

Please remember to write your resident's name in any new clothing they may receive during the upcoming holiday season. We ask that if you take any items home or bring new items in, please ask a staff member to help you make changes to your resident's inventory sheet that is kept on their chart.

December Right of the Month:

Role of a Resident's Representative

Serving as a resident's representative is both a serious responsibility and an act of love and support for your loved one. Please know that your service is deeply appreciated. If we can assist you by providing information, answering questions, discussing resident's needs and situation, or resolving problems or concerns, please let us know right away.

CHAPLAIN'S CORNER

Merry Christmas to you and yours!

As I write this, it's not quite Thanksgiving yet. I feel like Walmart putting out things two holidays ahead of time.

I pray that you will find the joy of Christmas sooner this season than we usually do.

I pray that the gift that God has given us in His Son will fill our hearts with His presence as we scurry around trying to fill wish lists.

Jesus said, "I have come that you may have peace." That's my prayer for my family and your family.

Bro. Tal
