

Inclement Weather Policy

It is our policy to ensure that guests are safe during their visit to Sweet Valley Ranch. Hence, any weather system that we consider unsafe will result in temporarily pausing some (or all) activities until conditions are deemed safe.

Guests will be instructed to wait in designated areas until conditions improve.

Poor weather conditions that last for long periods of time (multiple hours) could result in the farm closing.

Rain checks or refunds will be offered if we decide not to open the farm due to inclement weather.

Messages will be posted on our Website, Facebook and Instagram accounts.

Guests are encouraged to follow us on the aforementioned social media outlets.

We will also attempt to send emails and/or text messages to guests that purchased their tickets online.
