Gary enjoys listening to Classic Rock & Roll music, especially Lynyrd Skynyrd, and spending time with others.

He enjoys Bass and Crappie fishing, he said being on the water fishing gave him "peace of mind", as well as a love for playing pool.

If a vacation was available for Gary at this time, it would be Hawaii, maybe the Island of Oahu, where he could really fish.

Gary came to live with us at MSCC on June 6<sup>th</sup>, he lives on the 300 Hall, so if you see him, please tell him Congratulations for being our September 2019 Resident of the Month. We love you Gary!!

I have 2 sons. Kolton is 6 and Logan is 2, and my boys are my world!

My hobbies include horseback riding, deer hunting, and anything outdoors.

My favorite food is Mexican. The cheese dip is the bomb!

I was born in Tupelo, MS. May 1, 1987.

I love helping people, that is my passion.

I enjoy working at MSCC because I work with some of the most amazing, kindhearted people.

Thank you for voting me your September, Employee of the Month!

## September Birthdays

Those born between September 1–22 are Virgo's Virgins.

Virgos love paying attention to details not to be picky, but to help others. Their industriousness makes them smart problem-solvers and factfinders.

Those born between September 23–30 balance the scales of Libra.

Libras epitomize fairness and balance, often striving to minimize conflict and seek compromise. They achieve this with their charming, sincere, and lovable personalities.
