Hello Families and Resident's

We are excited to be in Phase 2 to President Trumps: "Opening up America Again."

As Spring arrives, so does life within America again. We are finally seeing the light at the end of this tunnel. Unfortunately, CMS is still requiring Nursing Homes to remain on lock down.

Phase Two, still instructs that all vulnerable individuals continue to shelter in place. Persons are urged to wear face coverings in public places.

Places of worship, weddings, and funerals.

"Noncontact sporting events and activities"

Schools and organized youth activities (e.g., daycare, camp) can reopen.

Large Venues (e.g., sit-down dining, movie theaters, sporting venues, places of worship) can operate under moderate physical distancing protocols.

Elective surgeries can resume, as clinically appropriate, on an outpatient and in-patient basis at facilities that adhere to CMS guidelines.

Gyms can remain open if they adhere to strict physical distancing and sanitation protocols.

CMS is now requiring all Nursing Home staff and Residents be tested and Wednesday, 5/27/2020 will be our testing day.

As of today, all Residents are safe and healthy!

One office, staff member has tested positive.

If you have any questions or concerns, please feel free to contact us at 662-287-8071.
