2018–2019 NEW GENERATIONS

- The Interact Committee continued to advise and support the Interact Clubs at Glendale and Parkview High Schools. The students had a busy year. They help a great deal with Don't Meth With Us by putting the giveaway packs together for the elementary students, and they participate in presentations at all of the middle schools in Springfield. Each club also does a monthly service project. This year's projects include:
 - serving dinner at Ronald McDonald House,
 - volunteering at the Springfield Art Museum,
 - volunteering at the Fairbanks Fun Run hosted by Southeast,
 - volunteering at Rare Breed
 - volunteering at Convoy of Hope,
 - volunteering at Harmony House,
 - general cleanup projects at their respective schools,
 - making blankets for Newborns in Need, and
 - volunteering at Rock'n Ribs, which funds 12 local charities.
- The International Youth Exchange Committee, led by David Pomeranke, oversaw an inbound student this year and made sure

that she had three excellent families to stay with during her time in the U.S. We also hosted an outbound student. The committee has found an inbound student that will be attending Glendale High School for the 2019-20 school year and is in the process of selecting families for him to stay with during his visit.

- The Rotaract Committee, led by Meredith Bosso, continued to have a close relationship with the Springfield Rotaract Club. Rotaract members regularly attend Southeast meetings and our members often attend their meetings. We also had a joint social event with Rotaract at Mother's Brewery, which helps keep the bonds strong.
- The RYLA Committee selected and sponsored two high school students to attend Rotary Youth Leadership Academy. Thanks to Laurie Edmondson for leading this effort.
- Jon Baker continued to work as the leader of the Scholarship Committee with the other area clubs on behalf of the club as a part of the citywide effort.
- The Student Guests Committee hosted senior student guests from all of the local high schools monthly throughout the year to recognize their efforts. The club also recognized children and grandchildren of members for graduates day in late May as tradition holds. Thanks to Cindy Howell and Scott Haney for heading up this committee.

DON'T METH WITH US

- Twenty-one Southeast Rotarians actively participated in Don't Meth With Us Committee activities this year, providing the following services to our community:

Rotary is dedicated to six areas of focus to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

PROMOTING PEACE

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

FIGHTING DISEASE

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

PROVIDING CLEAN WATER, SANITATION, AND HYGIENE

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

SAVING MOTHERS AND CHILDREN

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

SUPPORTING EDUCATION

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

GROWING LOCAL ECONOMIES

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
