Rotary is dedicated to seven areas of focus to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

PROMOTING PEACE

Rotary encourages conversations to foster understanding within and across cultures.

FIGHTING DISEASE

We educate and equip communities to stop the spread of life-threatening diseases. We improve and expand access to low-cost and free health care in developing areas.

PROVIDING CLEAN WATER, SANITATION, AND HYGIENE

We support local solutions to bring clean water, sanitation, and hygiene to more people every day.

SAVING MOTHERS AND CHILDREN

We expand access to quality care, so mothers and their children can live and grow stronger.

SUPPORTING EDUCATION

Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

GROWING LOCAL ECONOMIES

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

PROTECTING THE ENVIRONMENT

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.
